

## David Green

**Year:** Junior

**Position:** Wide receiver

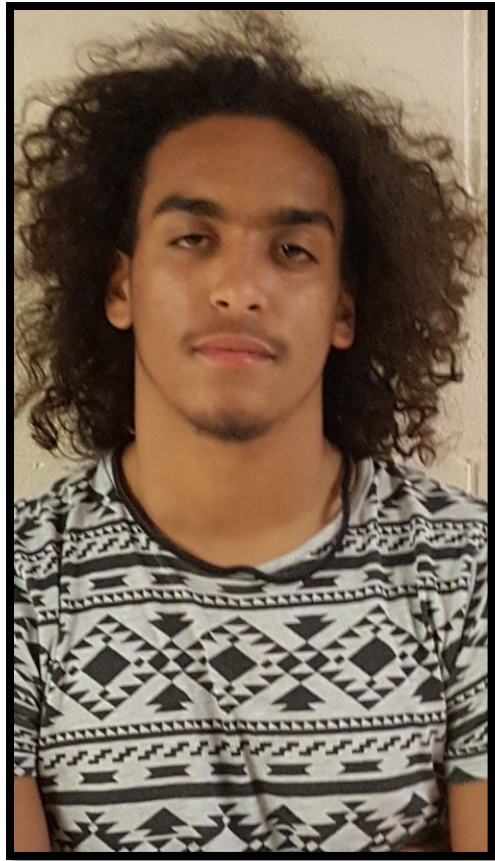

**Height:** 6-3

**Weight:** 200

When the Willingboro Chimeras needed a big play, David Green generally got the call.

The lanky yet powerful wide receiver had the speed and good hands that made him an easy target, combined with the size and toughness that made him a nightmare for defenses once he had the ball.

Green caught 31 passes for 575 yards and 6 touchdowns.

## Trae Greene

**Year:** Junior

**Position:** Quarterback

**Height:** 5-10

**Weight:** 165

The emergence of the Willingboro Chimeras as one of South Jersey's better teams coincided with the emergence of Trae Greene as one Burlington County's best quarterbacks.

Greene led the Chimeras to a 7-4 record and the semifinal round of the South Jersey Group 2 playoffs.

Blessed with a strong arm and great decision-making abilities, Greene completed 111 of 187 passes and led the county with 1,586 yards and 16 touchdowns. Greene will return next fall intent on taking Willingboro to the next level.
