September 11, 2015

Dear Parents/Guardians:

Our *Back to School Night* has been changed from *Thursday, September 17th to Monday, September 21, 2015 from 6:00p.m. til 8:00 pm* in order to not conflict with the secondary schools. I apologize for any inconvenience this may have caused your family.

I would like to take this opportunity to welcome you to our annual "*Back to School Night*". The purpose of this evening is to afford you the opportunity to meet the teachers and learn more about your child's individual classroom instructional program and academic expectations for the year.

This year the schedule has been arranged in order to accommodate maximizing the teacher presentation of information. Please note, time does not allow for individual conferences with the teacher, however, do not hesitate to schedule an appointment to see any staff member in reference to your child's academic or social progress.

Teachers will explain briefly the content of each course and will tell you the requirements and expectations of students. You are encouraged to ask questions at the end of each teacher's presentation, as time permits.

It is my sincerest hope that your visit will provide each of you with knowledge of the current programs at Stuart Elementary School. It is further hoped that you will acquaint yourself with our dedicated teaching staff and in turn afford them the opportunity to meet you, the foundation of our school community.

We look forward to meeting you on *Monday, September 21, 2015.*

Sincerely,

Nadine Tribbett
